

Texas offers a variety of partial exemptions from appraised property values used to determine local property taxes. A partial exemption removes a percentage of a fixed dollar amount of a property's value from taxation. Taxing units are mandated by the state to offer certain exemptions and have the option to decide locally on whether or not to offer other options. Applications are required and are filed at the Appraisal District. General deadline for filing an exemption is before May 1st. The Comptroller's office puts out a publication on all exemptions at <http://comptroller.texas.gov/taxes/property-tax/exemption>
